32 respective state contributions made under this chapter;

33 (8) The sponsoring local government may only use local  
34 infrastructure financing in areas deemed in need of economic  
35 development or redevelopment within boundaries of the sponsoring local  
36 government.

1       **Sec. 3.** RCW 39.102.110 and 2007 c 229 s 6 are each amended to read  
2 as follows:

3       (1) A sponsoring local government or participating local government  
4 that has received approval by the board to use local infrastructure  
5 financing may use annually its local excise tax allocation revenues to  
6 finance public improvements in the revenue development area financed in  
7 whole or in part by local infrastructure financing. The use of local  
8 excise tax allocation revenues dedicated by participating local  
9 governments must cease on the date specified in the written agreement  
10 required in RCW 39.102.080(1), or if no date is specified then the date  
11 when the local tax under RCW 82.14.475 expires. Any participating  
12 local government is authorized to dedicate local excise tax allocation  
13 revenues to the sponsoring local government as authorized in RCW  
14 39.102.080(1).

15       (2) A sponsoring local government shall provide the board accurate  
16 information describing the geographical boundaries of the revenue  
17 development area at the time of application. The information shall be  
18 provided in an electronic format or manner as prescribed by the  
19 department. The sponsoring local government shall ensure that the  
20 boundary information provided to the board and department is kept  
21 current.

22       (3) In the event a city annexes a county area located within a  
23 county-sponsored revenue development area, the city shall remit to the  
24 county the portion of the local excise tax allocation revenue that the  
25 county would have received had the area not been annexed to the  
26 ((~~county~~)) city. The city shall remit such revenues until such time as  
27 the bonds issued under RCW 39.102.150 are retired.

28       **Sec. 4.** RCW 39.102.120 and 2007 c 229 s 7 are each amended to read  
29 as follows:

30       (1) Commencing in the second calendar year following board approval  
31 of a revenue development area, the county treasurer shall distribute  
32 receipts from regular taxes imposed on real property located in the  
33 revenue development area as follows:

34       (a) Each participating taxing district and the sponsoring local  
35 government shall receive that portion of its regular property taxes  
36 produced by the rate of tax levied by or for the taxing district on the  
37 property tax allocation revenue base value for that local

1 infrastructure financing project in the taxing district (~~(, or upon the~~  
2 ~~total assessed value of real property in the taxing district, whichever~~  
3 ~~is smaller)~~); and

4 (b) The sponsoring local government shall receive an additional  
5 portion of the regular property taxes levied by it and by or for each  
6 participating taxing district upon the property tax allocation revenue  
7 value within the revenue development area. However, if there is no  
8 property tax allocation revenue value, the sponsoring local government  
9 shall not receive any additional regular property taxes under this  
10 subsection (1)(b). The sponsoring local government may agree to  
11 receive less than the full amount of the additional portion of regular  
12 property taxes under this subsection (1)(b) as long as bond debt  
13 service, reserve, and other bond covenant requirements are satisfied,  
14 in which case the balance of these tax receipts shall be allocated to  
15 the participating taxing districts that levied regular property taxes,  
16 or have regular property taxes levied for them, in the revenue  
17 development area for collection that year in proportion to their  
18 regular tax levy rates for collection that year. The sponsoring local  
19 government may request that the treasurer transfer this additional  
20 portion of the property taxes to its designated agent. The portion of  
21 the tax receipts distributed to the sponsoring local government or its  
22 agent under this subsection (1)(b) may only be expended to finance  
23 public improvement costs associated with the public improvements  
24 financed in whole or in part by local infrastructure financing.

25 (2) The county assessor shall (~~allocate any increase in the~~  
26 ~~assessed value of real property occurring in the revenue development~~  
27 ~~area to~~) determine the property tax allocation revenue value and  
28 property tax allocation revenue base value (~~as appropriate~~). This  
29 section does not authorize revaluations of real property by the  
30 assessor for property taxation that are not made in accordance with the  
31 assessor's revaluation plan under chapter 84.41 RCW or under other  
32 authorized revaluation procedures.

33 (3) The (~~apportionment of increases in assessed valuation in a~~  
34 ~~revenue development area, and the associated~~) distribution of local  
35 property tax allocation revenue to the sponsoring local government (~~of~~  
36 ~~receipts from regular property taxes that are imposed on the property~~  
37 ~~tax allocation revenue value,~~) must cease when local property tax  
38 allocation revenues are no longer obligated to pay the costs of the

1 public improvements. Any excess local property tax allocation revenues  
2 (~~derived from regular property taxes~~) and earnings on (~~these tax~~  
3 ~~allocation~~) such revenues(~~(7)~~) remaining at the time the (~~allocation~~  
4 ~~of tax receipts~~) distribution of local property tax allocation revenue  
5 terminates(~~(7)~~) must be returned to the county treasurer and  
6 distributed to the participating taxing districts that imposed regular  
7 property taxes, or had regular property taxes imposed for it, in the  
8 revenue development area for collection that year, in proportion to the  
9 rates of their regular property tax levies for collection that year.

10 (4) The allocation to the revenue development area of that  
11 portion(~~(8)~~) of the sponsoring local government's and each  
12 participating taxing district's regular property taxes levied by or for  
13 each taxing district upon the property tax allocation revenue value  
14 within that revenue development area is declared to be a public purpose  
15 of and benefit to the sponsoring local government and each (~~(such)~~)  
16 participating taxing district.

17 (5) The (~~allocation~~) distribution of local property tax  
18 allocation revenues pursuant to this section shall not affect or be  
19 deemed to affect the rate of taxes levied by or within any sponsoring  
20 local government and participating taxing district or the consistency  
21 of any such levies with the uniformity requirement of Article VII,  
22 section 1 of the state Constitution.

23 (6) This section does not apply to those revenue development areas  
24 that include any part of an increment area created under chapter 39.89  
25 RCW.

29 board and the department by March 1st of each year. The report shall  
30 contain the following information:

36 infrastructure financing, and a summary of how these revenues were  
37 expended;

34 (6) In case any of the public officials of the sponsoring local  
35 government whose signatures appear on any bonds or any coupons issued  
36 under this chapter shall cease to be such officials before the delivery
